RIGHTS & CONSENT TO TREATMENT

- You have the right to be respected as an individual, regardless of your gender, race, religion, sexual orientation, or disability status.
- You have the right to be treated in accordance with professional and ethical standards of conduct.
- You have the right to confidentiality. We will not disclose any information outside of the Chrysalis Center without your written consent. Clinical records will be maintained in a secure, locked environment. Please be advised that state law requires that confidentiality be broken in certain emergency situations, such as to protect you or someone else from imminent danger, to report child or elder abuse, or if mandated by a court order. We will not sell your information to anyone for any reason.
- You have the right to discontinue therapy at any time. However, it is expected that you will confer with your therapist rather than end treatment abruptly. If you decide to discontinue treatment, you have the right to request a treatment summary and referrals to other professionals.
- I understand that sessions run for 45-50 minutes and will not be extended to accommodate tardy clients. In addition, if your session runs beyond the allotted time (such as in an emergency situation), your fee will be adjusted accordingly.
- I consent to take part in treatment with this clinician. I understand that it is in my best interest to actively participate in treatment and follow treatment recommendations.
- I understand that there is no guarantee that any particular outcome will result from treatment.
- I understand and give my consent for the Chrysalis Center clinical staff to consult with each other as needed in order to provide me with the most effective, ethical treatment possible. The clinicians and nutritionists actively collaborate and consult about mutual cases, as well as share clinical notes.
- I understand that my therapist may consult and share clinical information with her supervisor and/or clinical board in order to provide legal and ethical treatment. She may also do so to meet the requirements set forth for licensure or certification.
- I understand that all communications with Chrysalis staff, including digital interactions, will be part of my clinical record. Any digital communication will be limited to that which does not compromise the clinical relationship or professional and ethical standards. I will discuss appropriate ways to use digital technology with my clinician. I understand that any communication via social media is prohibited. If I choose to communicate via digital media (cell phones, text, email, etc.), I understand that the confidentiality of these interactions cannot be guaranteed, although any Chrysalis-based digital communications will utilize appropriate security measures.

I have read and understood this document and will address any concerns or questions with my therapist and/or the office manager. Chrysalis Center reserves the right to change this agreement as necessary and in accordance with all applicable laws. Current copies of this agreement can be requested anytime and are available on our website.

**ACKNOWLEDGEMENT OF RECEIPT - NOTICE OF PRIVACY PRACTICES
& CONSENT TO USE AND DISCLOSE YOUR HEALTH INFORMATION**

This form is an agreement between you, _____, and Chrysalis Center. When we use the word “you” below, it can mean you, your child, a relative or other person if you have written his or her name(s) here

_____.

When we examine, test, diagnose, treat, or refer you we will be collecting what the law calls Protected Healthcare Information (PHI) about you. We need to use this information to decide what treatment is best for you and to provide any treatment to you. We may also share this information with others who provide treatment to you, with others who need it to arrange payment for your treatment, or with others for other business or government functions. By signing this form you are agreeing to let us use your information and send it to others under the circumstances described in our Notice of Privacy Practices. Please read this Notice before you sign this form; it explains in more detail your rights and how we can use and share your information.

In the future we may change how we use and share your information; therefore our Notice of Privacy Practices may change. If this occurs, you can get an updated copy from our website, www.chrysaliscenter-nc.com, or by calling us at 910-790-9500. If you have any questions regarding the Notice or your privacy rights, you can also contact Kendra Wilson, LCSW, Privacy Officer, at kendra@chrysaliscenter-nc.com or at the address listed below.

Please note that it is your right to protect your information. If you have concerns about the use or share of your information for treatment, payment, or administrative purposes, please submit a written request to our Privacy Officer at Chrysalis Center about these concerns. (Although we will try to respect your wishes, we are not required to agree to these limitations.) Furthermore, you have a right to revoke this consent after you have signed it (by submitting a letter to the Privacy Officer). Any information used or shared prior to annulment of this consent cannot be changed.

If you are concerned about some of your information, you have the right to ask us to not use or share some of your information for treatment, payment or administrative purposes. You will have to detail what you want in writing. Although we will try to respect your wishes, we are not required to agree to these limitations; more information about these limitations is detailed in the Notice of Privacy Practices. If you object to any of these practices, you may discuss them with our staff and/or provide written documentation of your concerns. After you have signed this consent, you have the right to revoke it (by writing a letter to our Privacy Officer telling us you no longer consent) and we will comply with your wishes as thoroughly as we are able to do so under the law.

I hereby acknowledge that I have received and have been given an opportunity to read a copy of Chrysalis Center’s Notice of Privacy Practices. My signature indicates that I have reviewed this notice, understand its content, and agree to its stipulations.

OFFICE PROCEDURES AND FINANCIAL AGREEMENT

Please read, initial, and sign below. You may request a copy for your records.

Chrysalis is a business office where a number of mental health professionals practice. Your contract for services is with our office and applies to any and all providers you may see here.

APPOINTMENTS:

All office visits are by appointment and may be scheduled through our administrative staff. Please arrive on time, as you cut down on your appointment time when you arrive late. The usual length of an appointment is 45-50 minutes. If you arrive more than 15 minutes late, you may be asked to reschedule your appointment, which will result in a *late cancellation* charge.

Payment: Payment is required at the time services are rendered, whether you are a self-pay client or have insurance coverage. Acceptable methods of payment include cash, check, VISA or Master Card. *The fee for returned checks is \$35. If a check is returned, you will be asked to arrange another method of payment.*

Late cancellations/No shows: For a missed or late cancelled clinical or nutritional appointment, you will be charged up to \$60 for the appointment. Please note: both clinical and nutritional appointments must be cancelled no less than one business day before the scheduled appointment. Please be advised that reminder calls are a courtesy, and you will be billed for late cancellations and no-shows regardless of whether or not you received the reminder message. Repeated late cancellations and/or no-shows may result in dismissal from treatment, at our discretion.

INSURANCE:

As a courtesy to you, we will bill rendered services to your insurance carrier. We do not accept Medicaid. Insurance co-payments, coinsurances, and deductible payments are due at the time of service. However, verification of eligibility and/or benefit information is not a guarantee of payment by your insurer. Your benefits will be determined once a claim is processed by your insurer, which will be based upon your eligibility and the terms of your certificate of coverage applicable on the date services were rendered. In the event of non-payment from your carrier, you are responsible for payment to Chrysalis for services rendered and you will be responsible for handling any disputes with your insurance carrier. *It is your responsibility to be aware of your insurance benefits and needs for pre-authorization. Any services not covered by your insurance are your responsibility.*

Unless otherwise notified, the insurance policy holder will be financially responsible for any balance on the client's account. Please make one of our administrative staff aware if the billing address is different than the home address on file.

Please note: treatment information including diagnosis, type of treatment, costs of service, dates of service, and providers, may be shared with your insurance carrier for reimbursement purposes. Please be aware that any information communicated to your carrier may affect your benefits. If you decide to file through insurance, we reserve the right to share this information with your carrier upon their request.

OUTSTANDING BALANCE:

You are responsible for paying any outstanding balances due on your account. Once we receive an Explanation of Benefits from your insurance carrier, your balance may be adjusted based on your carrier's allowed amount. If an account accrues two or more unpaid sessions, ongoing services may be immediately postponed until full remittance is received. Please be advised that if Chrysalis does not receive payment in full for services rendered, your treatment may be discontinued.

If you are unable to pay your balance in full, a signed *payment plan agreement* will be implemented immediately. Failure to adhere to your payment plan is grounds for discontinuation of services. If you previously discontinued your care or were discharged from treatment, and you desire to resume receiving services at Chrysalis, you will be expected to remit any unpaid balance prior to being seen. Payment plans may be arranged with our administrative staff. Any balance not paid in 90 days will be subject to collections.

Late Fees: A late fee of \$25 will be charged to delinquent accounts that are not paid within 90 days of the issue date of the first bill and will also be referred to a third-party collection agency. You will continue to be responsible for all associated collections and fees.

ADDITIONAL SERVICES

In some circumstances, depending on the time involved and nature of task, you may be charged for additional services, such as extended sessions, scoring psychological testing, preparing a psychological report, writing letters of advocacy or documentation on your behalf, extensive clinical coordination, and extended consultations with other providers regarding your treatment. Phone calls that are extended and/or that constitute therapy may require an additional fee. These additional services will be charged up to \$90/hour.

Testing Fees: Charges for psychological testing apply to all tests taken and scored. Sometimes, insurance companies do not reimburse for testing. In this event, you will be responsible for uncovered testing costs at our self-pay rate.

Conjoint Sessions (with more than one therapist): Conjoint sessions will be billed according to your benefits, which may result in a self-pay rate.

Please note: No provider at Chrysalis will fill out any disability forms (FMLA, short or long term, etc.) for clients who are not already established at Chrysalis (5+ sessions with one provider), and at the clinician’s discretion. We will send records as requested to other providers or agencies with a valid Release of Information on file. If records are sent, there may be a \$25 administrative fee associated with sending the records or filling out any paperwork for a third party.

Changes to the Policy: Chrysalis Center reserves the right to change this agreement as necessary and in accordance with all applicable laws. Current copies of this agreement can be requested anytime and are available on our website.

Please initial at each line and sign below to indicate that you have read, understood, and agree to the above policies. For minors, parent/guardian must sign.

_____ I have read, understand, and agree to the above policies.

_____ I authorize Chrysalis to release any information acquired in the course of my therapy to my insurance company as needed.

_____ I understand my insurance coverage is a relationship between me and my insurance company and I agree to accept financial responsibility for payment of charges incurred.

_____ I have been offered a copy of these policies to take with me if I desire.

_____ I have discussed these policies and addressed concerns and questions with the administrative staff if needed.

CONSENT TO TESTING & CONTRACT FOR BARIATRIC SURGERY EVALUATION

- I am aware that a pre-operative psychological evaluation is required. This evaluation will consist of extended clinical interviews and psychological assessment. Due to the extensive nature of the evaluation, 2 or more office visits may be required to complete the process.
- I consent to take part in testing for the purpose of accurate diagnosis and treatment planning. I understand that it is in my best interest to actively participate in testing and to follow the treatment recommendations that result.
- I understand that it is extremely important that I am completely honest with my evaluator so that she can make an informed decision and provide me with the optimal level of care as I go through this process. I understand that my evaluator wants to ensure my success with surgery.

I agree to read each test item carefully and answer honestly. Try to avoid over-thinking items, as it is best to go with your initial response to each question. Honesty is of utmost importance, as some forms of testing can detect dishonest and/or defensive responding. It is possible that your test results will not be able to be used if you attempt to portray yourself in an overly positive way. Realize that it is normal and expected for people to report problems. If your test results are found to be invalid, that may interfere with our ability to make a decision regarding appropriate treatment or, if applicable, to make recommendations for surgery.

- I understand that I have the right to refuse or discontinue testing at any time. However, doing so could impede effective diagnosis and treatment planning.
- I understand that my psychological evaluation report will be released to my doctor and to my insurance company for further review, and that they will ultimately determine whether or not I am approved for surgery.
- I understand that my clinician and surgeon will be sharing treatment recommendations. I am aware that the result of this evaluation is a recommendation regarding my appropriateness for surgery and the level of support I may need in order to optimize my success with the surgery.
- I understand that neither raw test data nor the psychological report will be released directly to me. I am aware that if I desire feedback or an interpretation of my testing, I will need to schedule an additional session with the clinician who performed the evaluation.
- I understand that there is no guarantee that any particular outcome will result from testing.
- I understand that there is a fee for comprehensive testing and evaluation and that I am responsible for the cost for the evaluation. The evaluation includes a clinical interview, psychological testing, interpretation of the test, collaboration with other providers, and preparation of the psychological report. The cost of the clinical interviews will be determined when scheduling an initial appointment, based on insurance coverage. I understand that there is an administrative fee of \$150 for the services explained above. I understand that my insurance company will not be billed for this service as psychological testing because the medically-necessary components of this service extend beyond the definition of those allowable codes. I understand that payment in full is expected at the time of the initial appointment. If full payment is not received, the psychological report will not be submitted to the surgeon until payment is remitted.
- I am aware that ongoing group counseling, nutritional counseling, and therapy are available to me following my surgery for additional support. The cost for is determined by your insurance coverage.
- I understand that raw test data may be used in outcomes research by Chrysalis Center and that I have the right to refuse to participate in such research. No identifiable data will be used in any of our research.**

Check if you refuse to participate in this research, knowing this will not affect outcomes in any way.

If you have any questions or concerns, please address them with your evaluator and/or the office manager before signing this. **My signature indicates that I understand and agree to all of the above.**
