# INFORMED CONSENT FOR PARENTS/GUARDIANS OF MINOR CHILDREN

## **Divorce, Custody or Legal Issues**

As a mental health treatment facility our primary focus, responsibility and goal is the treatment and well being of our identified clients. In the case of a child as the primary client it is essential that parents and legal guardians are not in conflict and are in fact in agreement as to decision to treat, the treatment goals, appointment times and the need to maintain client confidentiality. The therapeutic process is a team approach, especially in the case of a minor child. The following informed consent states that each parent, and/or any legal guardian with authority over the health care decisions of the child, will agree to these terms and communicate effectively with each other as well as with the provider to create a supportive environment for treatment and to assist our clinicians toward attempting to achieve the most positive outcome possible.

Although our responsibility to your child may require our involvement in conflicts between parents and guardians, we need your agreement that our involvement will be strictly limited to that which will benefit your child. This means, that you each agree as a condition of us treating your child that (please check to indicate you understanding):

confidential;
Our role is limited to providing treatment and you shall not attempt to gain advantage in any legal proceeding relating to the care and custody of your child from our treatment of your child;
You shall not request or require us, through subpoena, summons or other means (except as otherwise ordered by a court of competent jurisdiction), to provide testimony in favor of one parent or guardian against the another in any legal proceeding relating to the care and custody of your child; and
If multiple parents or guardians desire to obtain treatment information and/or testimony from any one of our clinicians relating to your child in any legal proceeding you shall each consent to the disclosure by executing one or more authorization forms we send to you and you will each share in the cost of producing such records and/or written or live testimony at our established copying charges and/or hourly rates for our clinician's time.

If there is a court appointed evaluator, and if appropriate authorization forms are signed, or a court order authorizing disclosure of treatment records is sent to us, we will disclose the requested treatment and general information about the minor but we will not make any recommendations concerning the child's custody or custody arrangements, unless otherwise ordered by a court.

# **Scheduling & Payment**

I give my permission to the following people to make decisions regarding therapeutic interventions,	scheduling
appointments and cancelling appointments, if I am not physically present during any appointments:

#### **OFFICE PROCEDURES AND FINANCIAL AGREEMENT**

Please read, initial, and sign below. You may request a copy for your records.

Chrysalis is a business office where a number of mental health professionals practice. Your contract for services is with our office and applies to any and all providers you may see here.

#### **APPOINTMENTS:**

All office visits are by appointment and may be scheduled through our administrative staff. Please arrive on time, as you cut down on your appointment time when you arrive late. The usual length of an appointment is 45-50 minutes. If you arrive more than 15 minutes late, you may be asked to reschedule your appointment, which will result in a *late cancellation* charge.

**Payment:** Payment is required at the time services are rendered, whether you are a self-pay client or have insurance coverage. Acceptable methods of payment include cash, check, VISA or Master Card. The fee for returned checks is \$35. If a check is returned, you will be asked to arrange another method of payment.

Late cancellations/No shows: For a missed or late cancelled clinical or nutritional appointment, you will be charged up to \$60 for the appointment. Please note: both clinical and nutritional appointments must be cancelled no less than one business day before the scheduled appointment. Please be advised that reminder calls are a courtesy, and you will be billed for late cancellations and no-shows regardless of whether or not you received the reminder message. Repeated late cancellations and/or no-shows may result in dismissal from treatment, at our discretion.

#### **INSURANCE:**

As a courtesy to you, we will bill rendered services to your insurance carrier. We do not accept Medicaid. Insurance co-payments, coinsurances, and deductible payments are due at the time of service. However, verification of eligibility and/or benefit information is not a guarantee of payment by your insurer. Your benefits will be determined once a claim is processed by your insurer, which will be based upon your eligibility and the terms of your certificate of coverage applicable on the date services were rendered. In the event of non-payment from your carrier, you are responsible for payment to Chrysalis for services rendered and you will be responsible for handling any disputes with your insurance carrier. It is your responsibility to be aware of your insurance benefits and needs for pre-authorization. Any services not covered by your insurance are your responsibility.

Unless otherwise notified, the insurance policy holder will be financially responsible for any balance on the client's account. Please make one of our administrative staff aware if the billing address is different than the home address on file.

Please note: treatment information including diagnosis, type of treatment, costs of service, dates of service, and providers, may be shared with your insurance carrier for reimbursement purposes. Please be aware that any information communicated to your carrier may affect your benefits. If you decide to file through insurance, we reserve the right to share this information with your carrier upon their request.

#### **OUTSTANDING BALANCE:**

You are responsible for paying any outstanding balances due on your account. Once we receive an Explanation of Benefits from your insurance carrier, your balance may be adjusted based on your carrier's allowed amount. If an account accrues two or more unpaid sessions, ongoing services may be immediately postponed until full remittance is received. Please be advised that if Chrysalis does not receive payment in full for services rendered, your treatment may be discontinued.

If you are unable to pay your balance in full, a signed *payment plan agreement* will be implemented immediately. Failure to adhere to your payment plan is grounds for discontinuation of services. If you previously discontinued your care or were discharged from treatment, and you desire to resume receiving services at Chrysalis, you will be expected to remit any unpaid balance prior to being seen. Payment plans may be arranged with our administrative staff. Any balance not paid in 90 days will be subject to collections.

Late Fees: A late fee of \$25 will be charged to delinquent accounts that are not paid within 90 days of the issue date of the first bill and will also be referred to a third-party collection agency. You will continue to be responsible for all associated collections and fees.

#### **ADDITIONAL SERVICES**

In some circumstances, depending on the time involved and nature of task, you may be charged for additional services, such as extended sessions, scoring psychological testing, preparing a psychological report, writing letters of advocacy or documentation on your behalf, extensive clinical coordination, and extended consultations with other providers regarding your treatment. Phone calls that are extended and/or that constitute therapy may require an additional fee. These additional services will be charged up to \$90/hour.

**Testing Fees:** Charges for psychological testing apply to all tests taken and scored. Sometimes, insurance companies do not reimburse for testing. In this event, you will be responsible for uncovered testing costs at our self-pay rate.

**Conjoint Sessions** (with more than one therapist): Conjoint sessions will be billed according to your benefits, which may result in a self-pay rate.

Please note: No provider at Chrysalis will fill out any disability forms (FMLA, short or long term, etc.) for clients who are not already established at Chrysalis (5+ sessions with one provider), and at the clinician's discretion. We will send records as requested to other providers or agencies with a valid Release of Information on file. If records are sent, there may be a \$25 administrative fee associated with sending the records or filling out any paperwork for a third party.

**Changes to the Policy:** Chrysalis Center reserves the right to change this agreement as necessary and in accordance with all applicable laws. Current copies of this agreement can be requested anytime and are available on our website.

Please initial at each line and sign below to indicate that you have read, understood, and agree to the above policies. For minors,

parent/guardian must sign.
