

## RIGHTS & CONSENT TO TREATMENT

- You have the right to be respected as an individual, regardless of your gender, race, religion, sexual orientation, or disability status.
- You have the right to be treated in accordance with professional and ethical standards of conduct.
- You have the right to confidentiality. We will not disclose any information outside of the Chrysalis Center without your written consent. Personal Health Information (PHI) will be maintained in a secure, locked environment. Electronic records are maintained with a secure, dual firewall system called InSync. Please be advised that state law requires that confidentiality be broken in certain emergency situations, such as to protect you or someone else from imminent danger, to report child or elder abuse, or if mandated by a court order. We will not sell your information to anyone for any reason.
- I understand that if Chrysalis shares any information, we will adhere to the “minimum necessary” rule to protect your confidentiality and we will not share Psychotherapy Notes with any third parties.
- You have the right to discontinue therapy at any time. However, it is expected that you will confer with your therapist rather than end treatment abruptly. If you decide to discontinue treatment, you have the right to request a treatment summary and referrals to other professionals.
- I understand that sessions typically run for 38-52 minutes and will not be extended to accommodate tardy clients. In addition, if your session runs beyond the allotted time (such as in an emergency situation), your fee will be adjusted accordingly.
- I consent to take part in treatment with this clinician. I understand that it is in my best interest to actively participate in treatment and follow treatment recommendations.
- I understand and give my consent to the use of Blueprint, a HIPAA-compliant web and mobile platform that helps me and my provider measure progress throughout treatment and make adjustments to treatment as needed.
- I understand and consent to the use of Recovery Record Service, a HIPAA-compliant web and mobile platform for eating disorder education and management to record and evaluate recovery goals and progress.
- I understand that there is no guarantee that any particular outcome will result from treatment.
- I understand and give my consent for the Chrysalis Center clinical staff to consult with each other as needed in order to provide me with the most effective, ethical treatment possible. The clinicians and dietitians actively collaborate and consult about mutual cases, as well as share clinical notes.
- I understand that my therapist may consult and share clinical information with their supervisor and/or clinical board and/or university in order to provide legal and ethical treatment. They may also do so to meet the requirements set forth for licensure or certification. If I am being seen by an intern, I understand that they are not yet licensed and are practicing under the auspices of their graduate program, not Chrysalis Center.
- I understand that all communications with Chrysalis staff, including digital interactions, will be part of my clinical record. Any digital communication will be limited to that which does not compromise the clinical relationship or professional and ethical standards. I will discuss appropriate ways to use digital technology with my clinician. I understand that any communication via social media is prohibited. If I choose to communicate via digital media (cellphones, text, email, etc.), I understand that the confidentiality of these interactions cannot be guaranteed, although Chrysalis-based digital communications will utilize appropriate security measures.

## OFFICE PROCEDURES AND FINANCIAL AGREEMENT

**Please read, initial, complete, and sign below. You may request a copy for your records.**

Chrysalis is a business office where a number of mental health professionals, registered dietitians, and a psychiatric provider practice. Your contract for services is with our office and applies to any and all providers you may see here.

**APPOINTMENTS:** All office visits are by appointment and scheduled through our administrative staff. Please arrive on time, as you cut down on your appointment time when you arrive late. Appointment lengths vary depending on the type of provider seen. If you arrive more than 15 minutes late, you will be asked to reschedule your appointment, which will result in a late cancellation charge.

**RECORDING DEVICES:** The use of recording devices by clients, clinicians, and other persons present during a session, group or other clinical interaction, whether face-to-face or taking place by live textual, audio, or video link is strictly prohibited. Administrative calls may be monitored for quality assurance.

**BLUEPRINT:** Blueprint respects the privacy of all users and will never sell any personally identifiable data. You own your data at all times and can always request your data and account to be deleted by sending an email to [support@blueprint-health.com](mailto:support@blueprint-health.com) with the subject of "Account Deletion." You can view Blueprint's privacy policy in detail at [www.blueprint-health.com/privacy](http://www.blueprint-health.com/privacy). Measuring your progress through Blueprint may be considered a billable service by your provider towards your insurance plan and as a result may result in additional co-payments, amounts applied to deductibles, and other amounts that may be deemed the responsibility of the patient as required by contract with the insurance plan and state regulations.

**PAYMENT:** Payment is required at the time services are rendered, whether you are a self-pay client or have insurance coverage. Acceptable methods of payment include cash, check, VISA or Master Card. *The fee for returned checks is \$35. If a check is returned, you will be asked to arrange another method of payment.*

**All clients are required to place a credit card on file** in order to facilitate collection of payment. If estimated payment (copay, deductible, coinsurance, cash rates) is not received by the end of the date of service, the card on file will be charged. In the case that insurance reimburses different amounts than the estimated payment taken, credits and debits will be applied to the card immediately. If the card declines, you will have until one business day prior to your next appointment to provide current and valid card information or your scheduled session will be canceled and payment in full will be required before you can reschedule. A patient portal via our electronic medical records system will be provided to view and track payments.

Name (as it appears on the card): \_\_\_\_\_

Card Number: \_\_\_\_\_

Phone number of credit card holder: \_\_\_\_\_ Billing Zip code: \_\_\_\_\_

Expiration Date: \_\_\_\_\_ CVV/CVC: \_\_\_\_\_

**Late cancellations/No shows:** For a missed or late cancelled appointment, you will be charged up to \$90 for the appointment. Please note: both clinical and nutritional appointments must be cancelled no less than one business day before the scheduled appointment. Please be advised that reminders are a courtesy, and you will be billed for late cancellations and no-shows regardless of whether or not you received the reminder message. Repeated late cancellations and/or no-shows may result in dismissal from treatment, at our discretion.

**INSURANCE:** As a courtesy to you, we will bill rendered services to your insurance carrier. We do not accept Medicaid. Insurance co-payments, coinsurances, and deductible payments are due at the time of service. However, verification of eligibility and/or benefit information is not a guarantee of payment by your insurer. Your benefits will be determined once a claim is processed by your insurer, which will be based upon your eligibility and the terms of your certificate of coverage applicable on the date services were rendered. In the event of non-payment from your carrier, you are responsible for payment to Chrysalis for services rendered and you will be responsible for handling any disputes with your insurance carrier. It is your responsibility to be aware of your insurance benefits and needs for pre-authorization. Any services not covered by your insurance are your responsibility.

Unless otherwise notified, the insurance policy holder will be financially responsible for any balance on the client's account. Please make one of our administrative staff aware if the billing address is different than the home address on file.

Please note: Treatment information including diagnosis, type of treatment, costs of service, dates of service, and providers may be shared with your insurance carrier for reimbursement purposes. Please be aware that any information communicated to your carrier may affect your benefits. If you decide to file through insurance, we reserve the right to share this information with your carrier upon their request.

**OUTSTANDING BALANCE:** You are responsible for paying any outstanding balances due on your account. Once we receive an Explanation of Benefits from your insurance carrier, your balance may be adjusted based on your carrier's allowed amount. If an account accrues two or more unpaid sessions, ongoing services may be immediately postponed until full remittance is received. Please be advised that if Chrysalis does not receive payment in full for services rendered, your treatment may be discontinued. If you are unable to pay your balance in full, a signed *payment plan agreement* will be implemented immediately. Failure to adhere to your payment plan is grounds for discontinuation of services. If you previously discontinued your care or were discharged from treatment and you desire to resume receiving services at Chrysalis, you will be expected to remit any unpaid balance prior to being seen. Payment plans may be arranged with our administrative staff. Any balance not paid in 90 days will be subject to collections.

**Late Fees:** A late fee of \$25 will be charged to delinquent accounts that are not paid within 90 days of the issue date of the first bill and may also be referred to a third-party collection agency. You will continue to be responsible for all associated collections and fees.

**ADDITIONAL SERVICES:** In some circumstances, depending on the time involved and nature of task, you may be charged for additional services, such as extended sessions, scoring psychological testing, preparing a psychological report, writing letters of advocacy or documentation on your behalf, extensive clinical coordination, and extended consultations with other providers regarding your treatment. Phone calls that are extended and/or that constitute therapy may require an additional fee. These additional services will be charged up to \$100/hour.

**Testing Fees:** Charges for psychological testing apply to all tests taken and scored. Sometimes, insurance companies do not reimburse for testing. In this event, you will be responsible for uncovered testing costs at our self-pay rate.

**Conjoint Sessions** (with more than one therapist): Conjoint sessions will be billed according to your benefits, which may result in a self-pay rate.

Please note: No provider at Chrysalis will fill out any disability forms (FMLA, short or long term, etc.) for clients who are not already established at Chrysalis (5+ sessions with one provider), and at the clinician's discretion. We will send records as requested to other providers or agencies with a valid Release of Information on file. If records are sent, there may be a \$25 administrative fee associated with sending the records or filling out any paperwork for a third party.

**Changes to the Policy:** Chrysalis Center reserves the right to change this agreement as necessary and in accordance with all applicable laws. Current copies of this agreement can be requested anytime and are available on our website.

## Communications Policy

### ***Contacting Providers***

When you need to contact your provider for non-emergent situations, these are the most effective ways to get in touch in a reasonable amount of time:

- By phone (910-790-9500). Our clinicians do not have direct voicemails, but you can leave a message or leave a confidential voicemail with our administrative staff.
- If you wish to communicate by email, please discuss further with your clinician. Please review the Rights and Consents about the potential confidentiality risks of doing so

Please refrain from making contact with any member of your treatment team using social media messaging systems. Any communication through social media is strictly prohibited as it can create significant security risks for clients.

Please refrain from contacting you provider using SMS (normal phone text messages).

Your provider may utilize HIPAA-compliant mobile and web platforms (e.g., Blueprint, Recovery Record) to support therapeutic goals and measure treatment progress.

- These services are HIPAA-compliant to keep patient information secure even when shared with treatment teams.
- These platforms do not give medical, legal, or psychological advice, diagnoses, or treatment. These services may provide helpful Health-Related Information, but are not intended to substitute for professional advice, diagnoses, treatment, or your judgment.
- Under no circumstances should these services be used to report emergencies to your providers. Chrysalis providers will not be monitoring these services at all times.

Confidentiality is vital to therapy. Please speak with your provider about any concerns you have regarding preferred communication methods.

### ***Response Time***

Our office is open Monday-Thursday 8:30am-5pm and Fridays 8:30am-4pm. Our administrative and clinical staff may not be able to respond to your messages and calls immediately. For voicemails and other messages, you can expect a response within *48 hours* (weekends are excepted from this timeframe). It is likely you will receive a reply more quickly than that, but please be aware that this will not always be possible.

Be aware that there may be times when your clinician may be unable to receive or respond to messages, such as when out of cellular range or out of town.

### ***Emergency Contact***

If you are ever experiencing an emergency, including a mental health crisis, please call the local police by calling 911 or go to your nearest emergency department. Possible locations include:

910-452-8100  
5301 Wrightsville Ave.

Following your call to 911 or your visit to your nearest emergency department, if you need to reach your provider, the best methods of communication are:

- By the main office line: 910-790-9500
- If you cannot reach someone by phone, please leave a voicemail

***Disclosure Regarding Third-Party Access to Communications***

Please know that if we use electronic communications methods, such as email, texting, online video, and possibly others, there are various technicians and administrators who maintain these services and may have access to the content of those communications. In some cases, these accesses are more likely than in others. While we take precautions whenever possible to ensure the confidentiality of communication through these methods, we cannot always guarantee your confidentiality. Use of these modes of communication implies your understanding and consent to this limitation of confidentiality. Of special consideration are work email addresses. If you use your work email to communicate with me, your employer may access our email communications. There may be similar issues involved in school email or other email accounts associated with organizations that you are affiliated with. Additionally, people with access to your computer, mobile phone, and/or other devices may also have access to your email and/or text messages. Please take a moment to contemplate the risks involved if any of these persons were to access the messages we exchange with each other.

**I have read and understood this document and will address any concerns or questions with my therapist and/or the practice manager. Chrysalis Center reserves the right to change this agreement as necessary and in accordance with all applicable laws. Current copies of this agreement can be requested anytime.**
